

Demonstrating Outcomes for Success

OBJECTIVES:

- After attending this program, learners will be able to:
- explain how using quality data can improve health outcomes
 - describe strategies that can be used to implement HIV quality improvement activities
 - demonstrate how to design a Plan Do Study Act (PDSA) cycle.

AUDIENCE:

This program is designed for providers at all levels (clinical and non-clinical) and consumers of Ryan White funded care and services.

VCU is an equal opportunity employer. If special accommodations are required, please contact the VCU HIV/AIDS Center 804-828-2210.

Pennsylvania/Mid-Atlantic AIDS Education and Training Center (PA/MAAETC)

The Pennsylvania/Mid-Atlantic AIDS Education and Training Center provides HIV/AIDS-related training and technical assistance to healthcare providers in Delaware, the District of Columbia, Maryland, Ohio, Pennsylvania, Virginia, and West Virginia. We are part of a nationwide network of 11 AETCs funded by the Health Resources and Services Administration, US Department of Health and Human Services. The purpose of the project is to increase providers' capacity to provide high quality HIV/AIDS care within the region's healthcare systems.

The Virginia HIV/AIDS Resource and Consultation Center (VHARCC)

VHARCC works with government agencies, professional organizations, and academic and community healthcare providers. Its mission is to expand knowledge of quality care for persons with HIV/AIDS and to focus on prevention through education, research, and service. VHARCC offers multi-disciplinary educational programs, expanding clinical programs, and consultations on HIV/AIDS-related issues or concerns. VHARCC also offers HIV antibody testing/counseling.
